- slack: #poland na gophers.slack.com
- Facebook: Golang Poland
- Facebook: Golang Poland Jobs

SPEAKERS WELCOME

Let us know whether we can help

DIVERSIFY SPEAKERS

- Female engineers
- Developers from different countries
- Person- vs Tech-oriented devs
- More vs Less Dogmatic programmers
- Different experience, senior and junior

Organizers: We will support you.

CALL FOR TALKS

- Formats: 10, 15, 30, 45
- Contact us on #poland-warsaw gophers.slack.com

See: .organizers/contact_us.md on our github

TOPICS

- Tech: https://goo.gl/9XiULU
- K8S, CloudNative, Serverless, Operators
- Best practises, including PR

HOW TO GET TO SLACK

https://invite.slack.golangbridge.org/

SMACC.io / Hypatos.ai

Hypatos

Hiring: QA and, soon, backend devs

TODAY

- ## SSH like a boss
  Michal Matczuk, ScyllaDB

- ## Golang and IoT
  Stanislav Arsoba

cloudnativewarsaw.com

- 4 tickets for good questions to presentations
- All welcome

We will have three Golang workshops.

DEV SPEED-~~DATING~~ CONVERSATIONS?

How it works?

- 101 conversations with other Gophers
- Few (3-5) rounds in 20-25 minutes
- Each round takes X minutes

DEV SPEED-~~DATING~~ CONVERSATIONS?

How it works?

- All languages, english, polish, klingon
- Don't be shy, have fun :)
- Give us feedback about the ideas
